

Ser. No. 10/784,357

10

100110189-24

REMARKS/ARGUMENTS

Applicants submit this amendment after allowance with an accompanying Request for Continued Examination. Applicants thank the Examiner for the finding of allowable subject matter and allowable claims with respect to all pending claims 64-91.

Applicants herewith amend some of the allowed claims. Applicants respectfully submit that the amendments are fully supported in the specification as filed and do not affect the allowability of the amended claims.

Amended claim 75 is fully supported in the specification as filed, at least at FIGS. 5 and 7. Amended claim 75 is allowable at least for the reasons that claim 64 was allowed.

Amended claims 67, 69, 81 and 83 are each fully supported in the specification as filed, at least at FIGS. 5, 5A and 6. Amended claims 67, 69, 81 and 83 are all allowable at least for the reasons that claim 64, from which they depend, was allowed. Amended claims 67, 69, 81 and 83 also include additional distinguishing limitations.

CONCLUSION

Applicants respectfully request that the examiner enter the amendments and allow pending claims 64-91.

Respectfully submitted,

Peter Reitan
